

Team Gear Responsibility Form

- You must turn in this form in order to receive your team gear items.
- Proper care of the gear is essential in avoiding charges for damaged gear. All warm-up uniforms will be washed exclusively by the coaching staff. Singlets may be washed with gentle detergent on a gentle cycle or hand washed. Singlets must NOT be put in the dryer.
- If you do not return all of the items or if any item is returned damaged, the Infinite Campus account for the student will be charged for the repair or replacement of the item. Parents will be contacted prior to charges being posted on the account.

The replacement charges will be: Singlet - \$75
 Warm Ups (top and pants) - \$200.00

I have read the above information for team gear and accept responsibility for any charges related to missing or damaged gear.
